Dear Mr. Stoker:

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) revisions to the California State Implementation Plan (SIP) from the Imperial County Air Pollution Control District (District).

This SIP submittal consists of the following enclosed documents:

1. CARB Executive Order S-18-015 adopting or amending District Rules 101, 428, 429, and 804 as revisions to the SIP.
2. Enclosure A, which lists the adopted or amended District rules that constitute the SIP revisions.
3. The complete package the District submitted to CARB.

Included in the District package, to meet U.S. EPA criteria for determining that rule submittals are administratively and technically complete, is an evaluation of the effects of the rules on emissions and evaluation of the rules' consistency with 40 CFR 51.
